Hi Neighbor!

My name is Debbie Mitchell; I live in the neighborhood at 2110 Kingsbridge Way. I am contacting you because I have volunteered to assist the Channel Islands Waterfront Home Owners Association in communication of important information regarding the impact of seawall repairs that are scheduled to begin in 2014 on Kingsbridge Way.

The "Significant impact"

All docks being removed from all homes on the East side of Kingsbridge Way from 2000 thru 2144 Kingsbridge Way for a period not less than a month to accommodate the equipment and actual seawall repair work to be completed at (approximately) the greenstrip on the west side of Kingsbridge Way.

The "Periodic waterway impact"

There will be times when water way access to in that part of the channel will be restricted and closed to boats to facilitate equipment and workers in the area.

What is the best way to stay in touch?
