

Structure - Channel Islands Waterfront Homeowners Association

The following is a summary of the authority and succession of the Channel Islands Waterfront Homeowners Association (CIWHA) and the applicable CC&Rs applying to Tracts 2026 and 1904 as derived from available documents.

On April 22, 1976, Articles of Incorporation were filed with the California Secretary of State for the Channel Islands Waterfront Homeowners Association (CIWHA) pursuant to what was then the California General Non-Profit Corporation Law and is now the Nonprofit Mutual Benefit Corporation Law. The Articles state that the primary purposes of the Corporation are to “. . . serve the interests of property owners at Mandalay Bay and Leeward Estates, Oxnard, California. . .” (note the 1976 use of “Leeward Estates”)

Based on earlier proposals, By-Laws were adopted by the CIWHA on July 9, 1976.

On February 15, 1986, the CIWHA Board of Directors adopted revised By-Laws currently in effect.

T/M 2026 - Mandalay Bay

On March 10, 1977, the Oxnard Marina Development Company, developer of the Mandalay Bay Project (Tract Map No. 2026) caused to be recorded in Book 4790, Page 43, Official Records of Ventura County, a declaration designating CIWHA as the sole member of the T/M 2026 Mandalay Bay Improvement Authority and granting all of its rights and powers, with respect to the operation of the Improvement Authority, to the CIWHA. The following CC&R related data apply -

1. CC&Rs - T/M 2026, Mandalay Bay, recorded September 18, 1970 in Book 3772, Page 441 and First Amendment recorded March 18, 1971 in Book 3794, Page 302. Schedule “A” applies to lots 1-284 of T/M 2026-1 while Schedule “B” sets forth the metes and bounds for T/Ms 2026 -2 and 2026-3. The subsequent transfer to another developer of a part of T/M 2026 did not invalidate the applicability of the CC&Rs which run with the land (follow the title) in the same manner as for the sale of an individual property. T/M 2026 Mandalay Bay CC&Rs therefore specifically apply to T/M 2026-1 and 2026-3.
2. CC&Rs - T/M 2026-2, recorded for Oxnard Marina Development Company by Zurn Industries on November 26, 1971 in Book 3890, starting at Page 352, is essentially a repeat of the T/M 2026 CC&Rs, extending them specifically to the lots comprising T/M 2026-2. Additionally, Page 368 defines contiguous Parcel 4C to be known as T/M 2026-3 when recorded. There is a subsequent T/M 2026-2 recording (August 11, 1972) by Oxnard Marine Development Company/Zurn Industries in Book 3994 starting at page 516, again without significant change from the original T/M 2026 CC&Rs.
3. T/M 2026-3 is subject to T/M 2026 Mandalay Bay CC&Rs as established by the

metes and bounds set forth in T/M 2026, Schedule "B", and in the T/M 2026-2 Declaration recorded as noted above. (When Zurn sold the property to Armstrong, the CC&Rs ran with the land (followed the title) in the same manner as for the sale of an individual property. Just as other owners, 2026-3 owners have prescribed easement rights into Mandalay Bay, the same common interest that applies to the balance of Tracts 2026 and 1904. Those easement rights of 2026-3 owners constitute an appurtenant common interest and confirm the tract as a Common Interest Development and subject to the Davis-Sterling Common Interest Development Act. A recent check of a Falkirk Bay property in T/M 2026-3 confirmed that its title is encumbered by the T/M 2026 Mandalay Bay CC&Rs.)

T/M 1904

Boise Cascade Home and Land Corporation, successor in interest to R. A. Watt Company, Inc., as developer of Tracts 1904-1, 1904-2, and 1904-3, caused to be recorded on September 1, 1983 in the Official Records of Ventura County, California as Document #97122, a Supplemental Declaration which assigned its powers et al to the Channel Islands Waterfront Homeowners Association (CIWHA) and named therein the Architectural Review Committee as having the rights and duties to enforce the CC&Rs for all of Tract 1904.

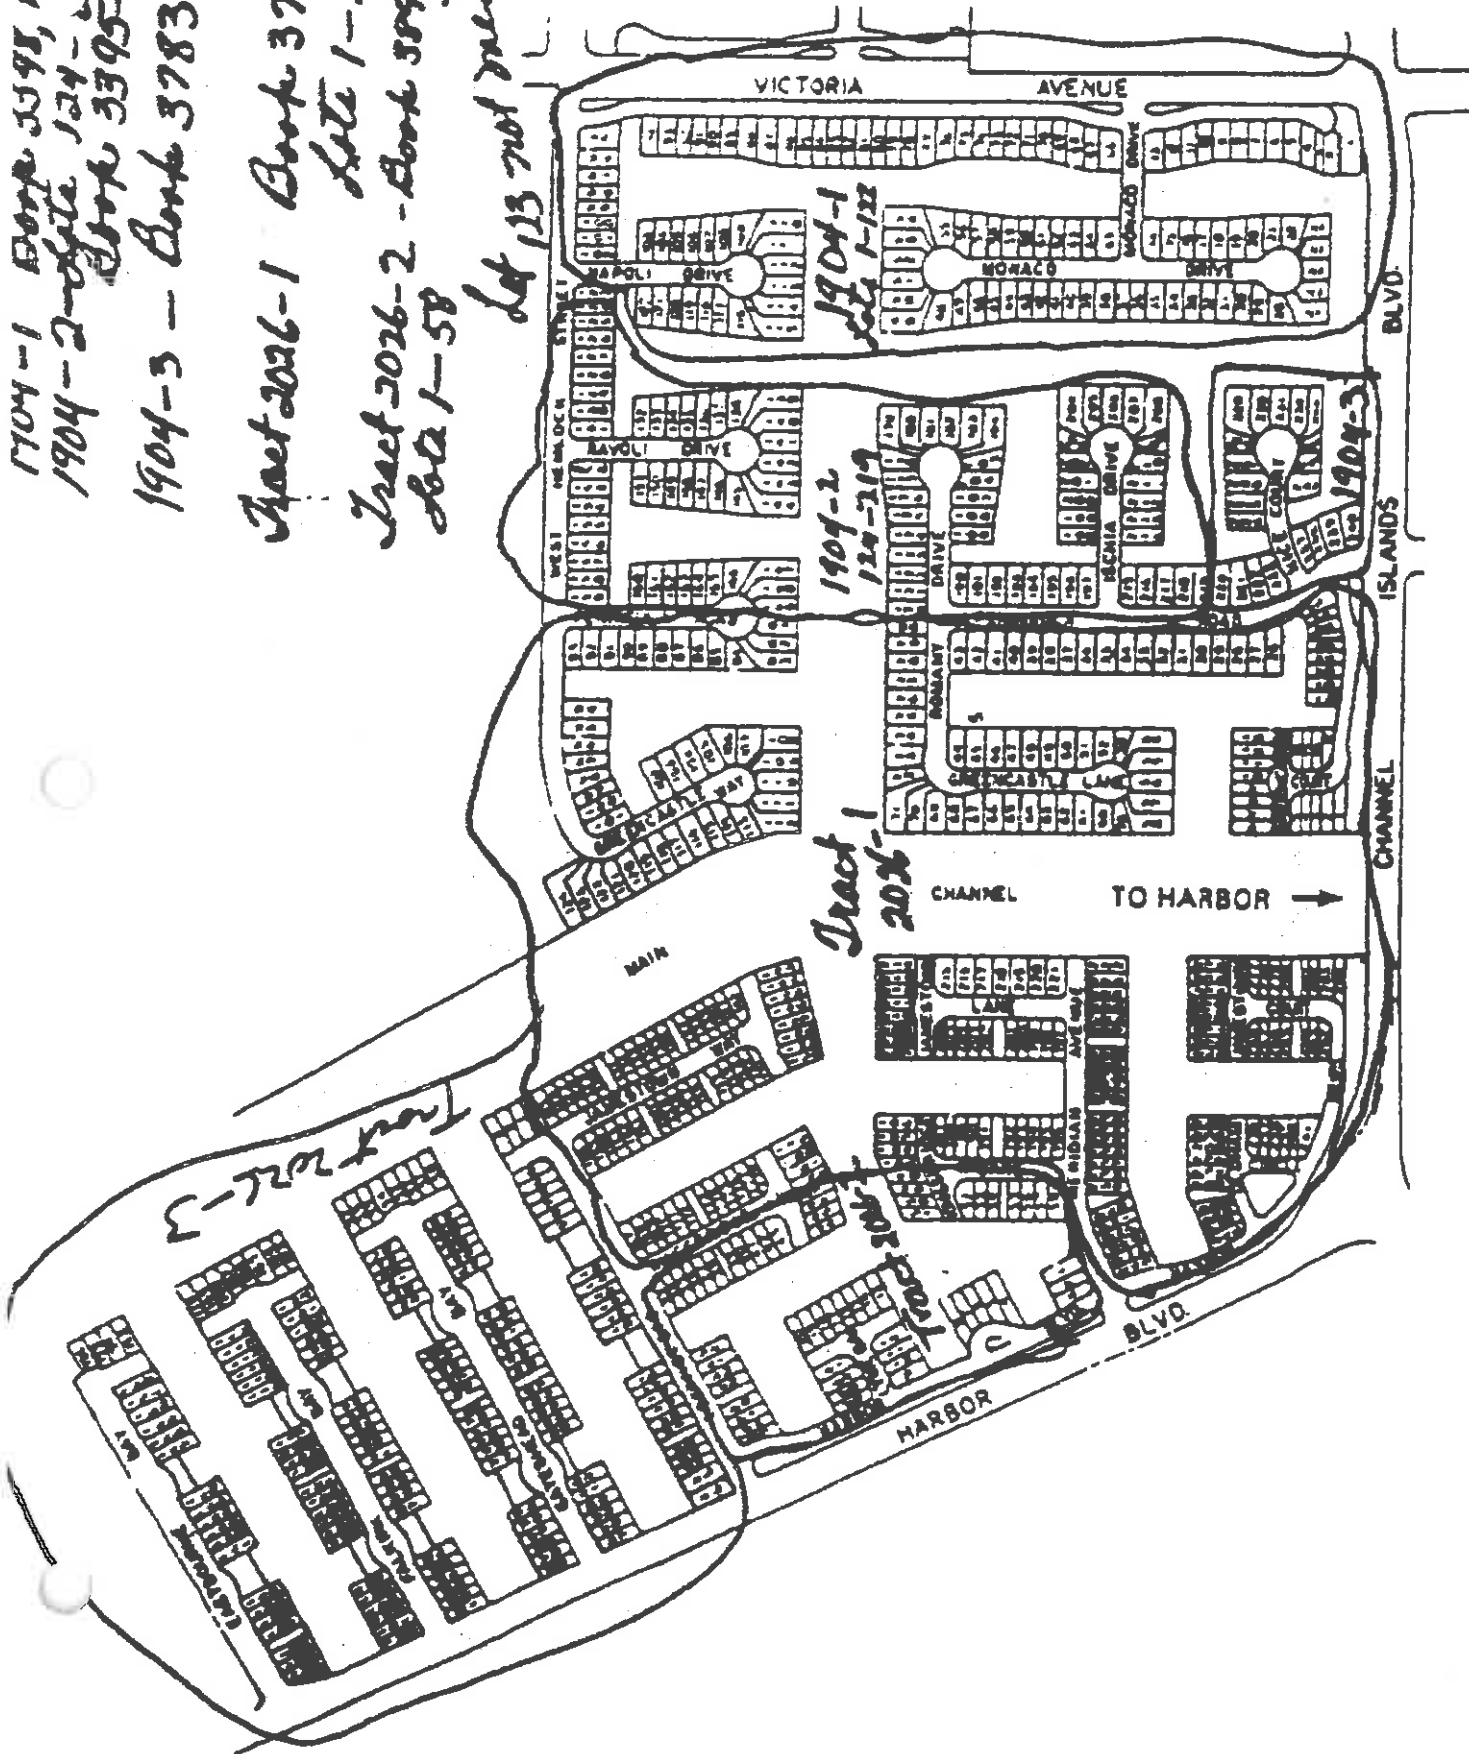

1. CC&Rs - T/M 1904-1 recorded on July 9, 1968 in Book 3334 starting at Page 82 with 4 developer initiated recorded amendments.
2. CC&Rs - T/M 1904-2 recorded on November 7, 1968 in Book 3394 starting at Page 464 with 4 developer initiated recorded amendments and a subsequent declaration dated January 31, 1980 and recorded in Book 5603 starting at Page 100.
3. CC&Rs - T/M 1904-3 recorded on December 22, 1970 in Book 3783 starting at Page 367.

At their regular meeting on January 17, 1996, the CIWHA Board of Directors merged the T/M 2026 Mandalay Bay Improvement Authority with the T/M 1904 Architectural Review Committee. This 3-person committee is to be named the Architectural Review Committee, is to be comprised of 3 persons (at least one to be a resident/property owner in T/M 1904 and one in T/M 2026), will be chaired by the CIWHA President, and is charged with carrying out the declarations (CC&Rs) of the developer(s) as required by the succession documents from the developer(s) to the CIWHA, all subject to the direction and approval of the CIWHA Board of Directors. Assuming a 1996 revision of the By-Laws, this designation is of sufficient importance to be included.

The foregoing summary has been completed using all information available at the time of preparation. Any reader with contrary or additional information is requested to provide same to the end that this paper may most accurately reflect the relevant issues regarding the establishment of the CIWHA and the rights, duties, powers, and limitations applicable to the CIWHA Board of Directors.

CHANNEL ISLANDS WATERFRONT HOMEOWNERS ASSOCIATION, INC.

BYLAWS

APPROVED AND EFFECTIVE FEBRUARY 8, 1997

ARTICLE I

DEFINITIONS:

A. ASSOCIATION: The term *Association* shall mean the Channel Islands Waterfront Homeowners Association, Inc., which may also be referred to herein as the Channel Islands Waterfront Homeowners Association and/or CIWHA.

B. OWNER: Any person(s) holding the beneficial interest in any improved or unimproved residential waterfront parcel(s) in Tract 1904 or Tract 2026, all within the City of Oxnard, County of Ventura, State of California. Ownership of a parcel or parcels in the aforementioned tracts confers simultaneous, concurrent, and inseparable membership in the CIWHA, one (1) membership for each parcel owned. Said membership may not be sold, resold, assigned, gifted to another, repudiated, denied, or in any other way separated from ownership. Said membership authorizes a vote in Association affairs only if it is an active membership and current dues and assessments are paid. An owner's right to act on matters authorized by or within the scope of applicable Codes, Covenants, and Restrictions (CC&Rs) and/or laws in effect and applicable to said matters, is paramount and shall not be abridged by virtue of membership status in the Association. Without regard to membership status in the Association, owners are subject to and must comply with the proper exercise of authority by the Association Board of Directors through its Architectural Review Committee, said Committee acting simultaneously as an instrumentality of the Association and the ownership, subject to and within the applicable Codes, Covenants, and Restrictions of the respective tract.

C. ACTIVE MEMBER: An owner who voluntarily pays on a current and timely basis the fees, dues, and/or assessments in accordance with Article III and is therefore entitled to one (1) indivisible vote per parcel, for which dues are paid, in the affairs of the Association and to other benefits of Association membership.

D. DELINQUENT MEMBER: An owner who elects not to pay on a current and timely basis the fees, dues, and/or assessments in accordance with Article III, and therefore is not entitled to vote in the affairs of the Association nor enjoy the other benefits of Association membership. This membership status in no way abrogates or otherwise limits the rights of ownership established by applicable laws, ordinances, and/or Codes, Covenants, and Restrictions governing the respective tract. This membership class is subject, however, to the proper exercise of authority by the Association Board

of Directors through its Architectural Review Committee in matters related to the enforcement of applicable Codes, Covenants, and Restrictions.

E. SUSPENDED OR EXPELLED MEMBER: See Article VI A 2.

F. PATRON MEMBER: An active member who additionally contributes moneys and/or other valuable considerations to the Association which are accepted for the Association by the Board of Directors. Patron membership is an honorary class of membership and does not in and of itself confer voting rights.

G. FISCAL YEAR: The Association fiscal year (FY) runs with the calendar year (CY) which is contrary to the year for which Board members are elected which runs from March 1 through the last day of the following February.

H. MAJORITY: A majority of the members of the Association shall consist of fifty percent (50%) plus one (1) of the voting members in attendance at any duly publicized meeting of the Association at which a quorum is present. Due care will be taken to ensure that no more than one (1) vote per represented parcel is counted. Such actions as may be approved or disapproved by the membership shall not conflict with the CC&Rs and are not binding on owners who are not active members of the Association unless said actions are within the purview of and in furtherance of the CC&Rs and therefore apply to all owners.

I. QUORUM: When at least ten percent (10%) of the active members (1 vote per parcel) are present at any publicized meeting, the chair shall record a quorum and business may proceed.

Any change in dues from the previously established rate(s) shall be approved by the membership at its Annual Meeting and the change shall be effective for the calendar year then in progress.

2. Assessments: A voluntary assessment may be levied against the membership if a majority of the voting members agree. Said procedure does not constitute an assessment against owners as a class or who are not active members. Any assessment against owners as a class, to include fines and penalties, must be processed as provided for in the CC&Rs and laws then in effect.

B. An invoice for Association dues shall be mailed to each owner during the month of March each year, excepting where possible those members who may have already paid. When the issue of dues is not a matter on the agenda of the Annual Meeting, collection efforts may be initiated earlier in the year than March, and particularly at the February Annual Meeting.

C. Failure of owners to pay dues by June 1st of each year shall cause said memberships to become or remain delinquent. The delinquent membership may be reactivated by payment of dues in arrears. Delinquent members shall be notified in writing prior to July 1 of each year and advised that they have forfeited any and all rights and privileges of their membership as well as an interest in any funds previously paid into the Association.

D. Dues paid by a *new* member between October 1 and December 31 shall be considered payment of dues for the subsequent year.

E. Notice of a voluntary assessment shall be mailed to each active member not less than sixty (60) days before it is due.

ARTICLE IV

VOTING:

A. In Association voting, there shall be one (1) vote for each active membership regardless of the number of persons having a beneficial interest in the respective parcel.

B. The vote for each parcel represented by an active membership must be cast as a unit; fractional votes are not permitted. In the event joint owners representing a single active membership are unable to agree among themselves as to how their vote or votes shall be cast, they shall forfeit their right to vote on the issue at hand.

C. At any meeting, each voting member may cast the number of votes entitled to be cast under Article IV, paragraph A. Votes may be cast by written proxy.

D. Voice votes may be accepted at all meetings unless a voting member requests a written ballot or roll call vote. Any matter requiring a vote may be submitted by written ballot without a meeting. 3. The Board of Directors, or the Architectural Review Committee with the approval

of the Board of Directors, shall have the power, authority, and the duty to initiate informal, formal, and/or legal action against any property owner or occupant of any parcel in Tracts 1904 and 2026 for any known violations of applicable Codes, Covenants, and Restrictions (CC&Rs), as well as City, County, State, and Federal laws, without regard to class of Association membership. The legal relationship of the Board of Directors and/or Architectural Review Committee is with the owner and not with any other resident or owner's agent. Appropriate action may include Alternative Dispute Resolution procedures as and if appropriate under the law. Further, The Board of Directors, or the Architectural Review Committee with the approval of the Board of Directors, shall have the power, authority, and the duty to initiate and/or respond to informal, formal, and/or legal action against or in response to an outside agency, entity, or activity on behalf of the Association upon the Board's determination that such action is necessary and appropriate, said action to include Alternative Dispute Resolution if same is appropriate under the law.

By way of resignation, other attrition, and/or the nominating process, fewer than eleven (11) but no less than seven (7) nominees will be offered at the February 1997 Annual meeting for one (1) year terms, and for the February 1998 Annual meeting, four (4) members will be nominated for two (2) year terms and three (3) members for one (1) year terms.

Any attrition between Annual Meetings of the Board membership may be filled by appointment by the Board for the balance of the period until the next Annual Meeting. At that Annual Meeting, a sufficient slate of candidates will be nominated for election as will restore

the total Board members to seven (7). The Board of Directors shall at all times be comprised of not less than two (2) Member/residents from Tract 1904 and two (2) Member/residents from Tract 2026. The officers so elected shall be the officers of both the Association and the Board of Directors. March 1 shall be the effective date the newly elected officers take office and the last day of February shall be the last day of office for outgoing officers. Officers are elected for one year terms. The Board of Directors may replace one or more officers by a majority vote with the replacement(s) being elected from the membership of the Board of Directors who were elected at an Annual Meeting.

Association. The Treasurer shall provide access to the books of the accounts at all reasonable times for inspection by any member of the Board of Directors. The Treasurer shall deposit all monies and other valuables in the name and to the credit of the Association with such depositories as may be designated by the Board of Directors. The Treasurer shall disperse the funds of the Association as directed by the President or by the Board of Directors, and have such other powers and perform such other duties as may be prescribed from time to time by the Board of Directors or Bylaws. The Treasurer will advise the Board as to the investment of funds in excess of current operational needs and will invest those excess funds in accordance with the directions of the Board. Should the funds and other assets under the control of the Association ever exceed \$75,000 in the aggregate during the course of a Fiscal Year, the Treasurer will so advise the Board and an audit will be directed in accordance with the law. All checks drawn by the Treasurer are to be signed by one additional member of the Board approved by the President.
